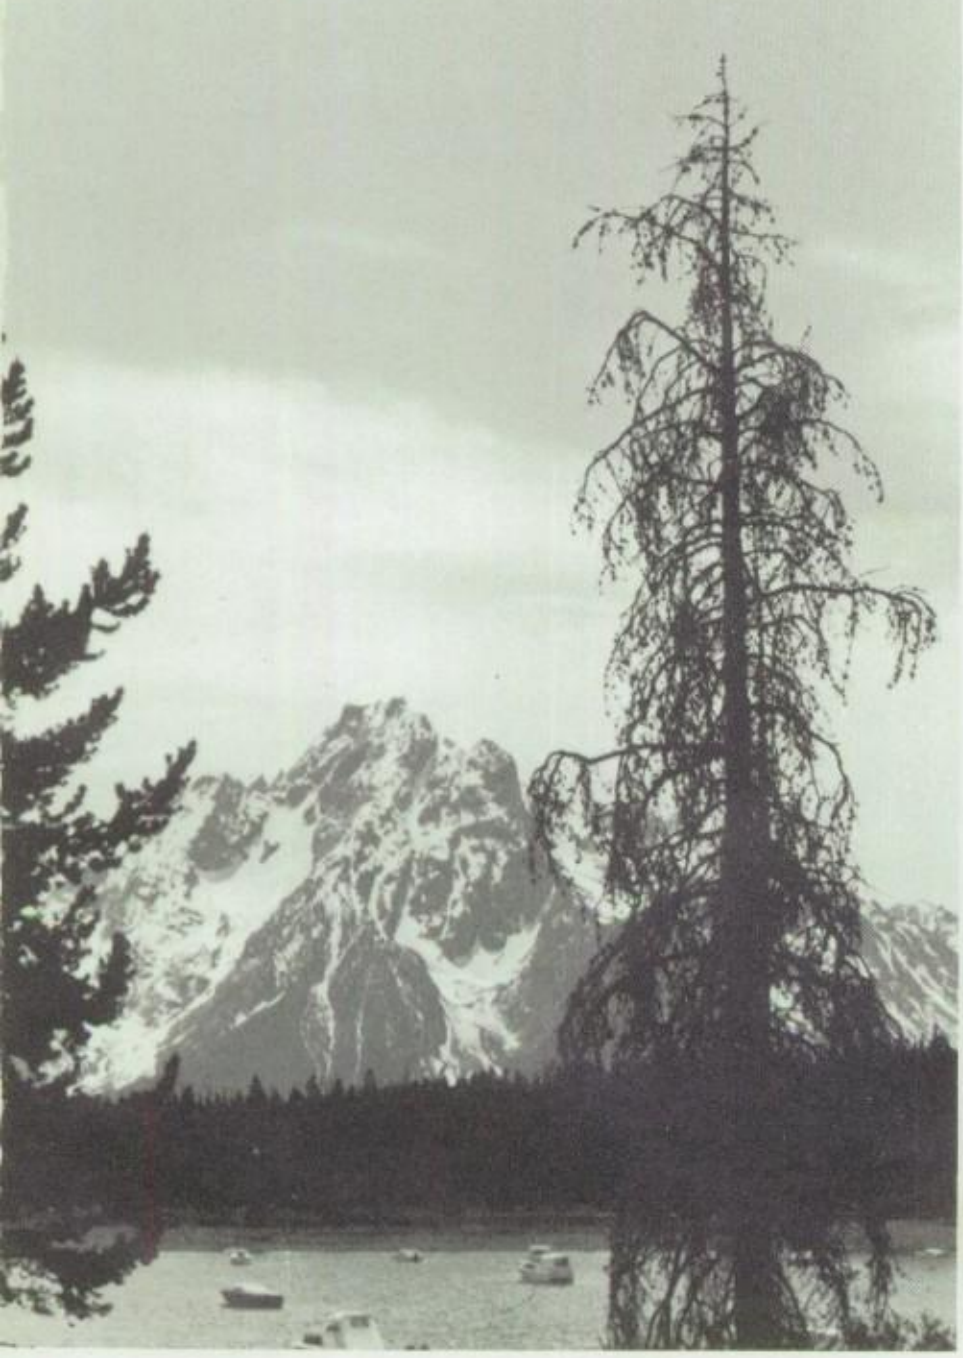
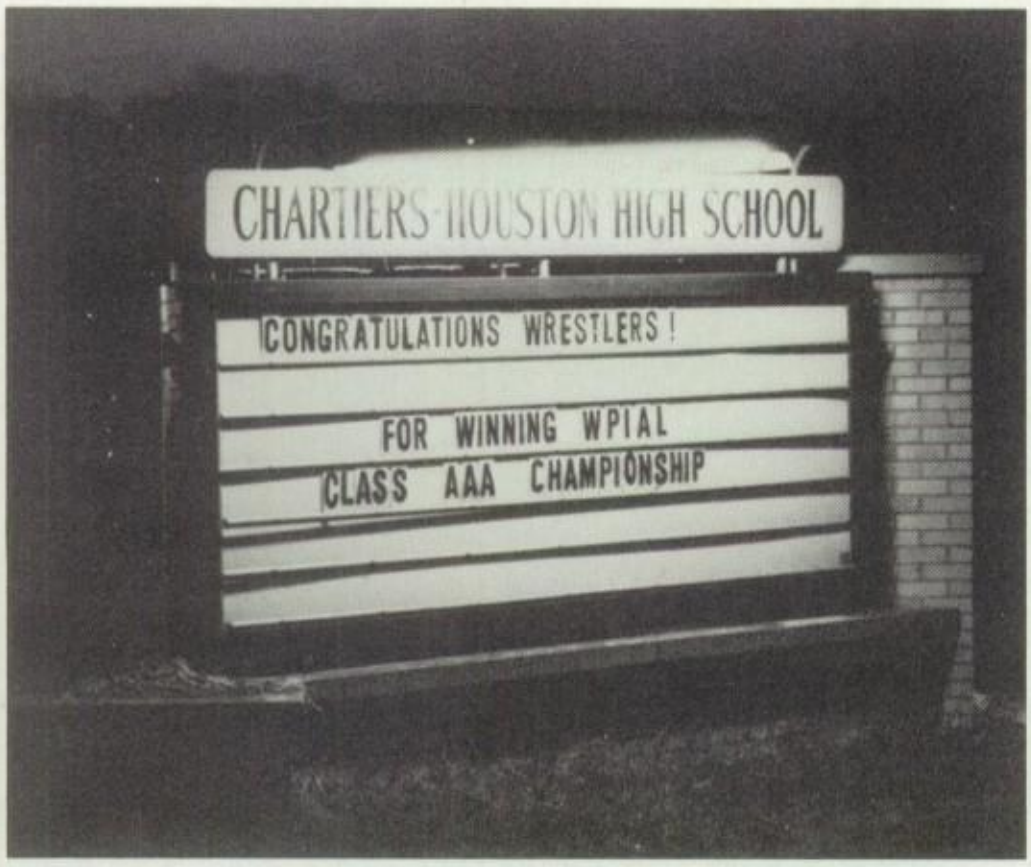
CHARCONGE

'81

Shades of Time





Charconge, a word with a foundation as old as time itself and yet as modern as the newest headline. The name was brought to Chartiers through Thelma Grace Bennett, the winner, from a wide field of contestants. A modern and simplified pronounciation would look something like this, Shar-conza. The "Char" comes from Chartiers and the "conge" from a Latin derivation meaning "Traveling together." "Chartiers traveling together." In time to come, as you return to Chartiers by means of Charconge, you will travel together in memory once more with us.

SEASON IN REVIEW:

Our defensive play was outstanding all year recording five shutouts, permitting only ne touchdown in three other games and finishing with an average 5.8 points allowed per ame. Considering the graduation of 21 seniors from the 1979 team and the return of just lettermen to the 1980 squad, our 7 and 3 record was quite satisfying.

SEASON RECAP

In 1980-81, the Girl's Basketball Program improved much greater than the 10-5 record would indicate. The team averaged 53 pts., per game, an increase of 10 points per game from the previous year. Two of the losses were by 1 point and another loss by 2 points. With a very young Varsity team returning and a J.V. team that recorded a 17-4 record, the Girl's Basketball program at C-H appears to be ready for an exciting 1981-1982 season.

The '81 program has graduated two of the better all around basketball players in C-H Girl's Basketball history. Betty Jo Gontas holds the school record for most career points (650) — most foul shots made (136) — best foul shooting percentage (62%) — most rebounds (541) — and second in assists (98). Betty Jo was also a 4 year letterwinner in girl's basketball.

Lisa Beton (Captain of 1980-81 squad) will greatly be remembered and admired for her leadership qualities and her dedication to improvement prior to the '80 season. For her career, she finished 4th in career pts. (353) and 3rd in rebounds (397). She has an outstanding Senior year with 215 rebounds and 179 pts.

THE YEAR IN REVIEW

This year's cheerleaders were a spirited group of young ladies. They faithfully supported our teams at all athletic events. This year's captain, Amy France, and co-captain Susan Sebastian led the squad in assemblies and at events. With the help of their sponsor, Mrs. Carol Gaspar, they planned and organized the pep assemblies. They won two excellent and one superior ribbons at cheerleader camp and the University of Pittsburgh as well as the Spirit Award — the highest award given at camp.

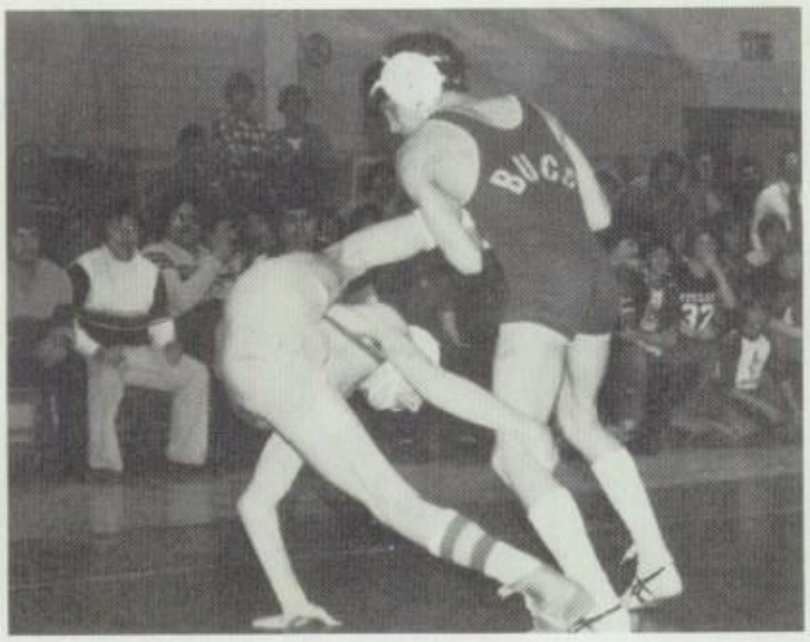
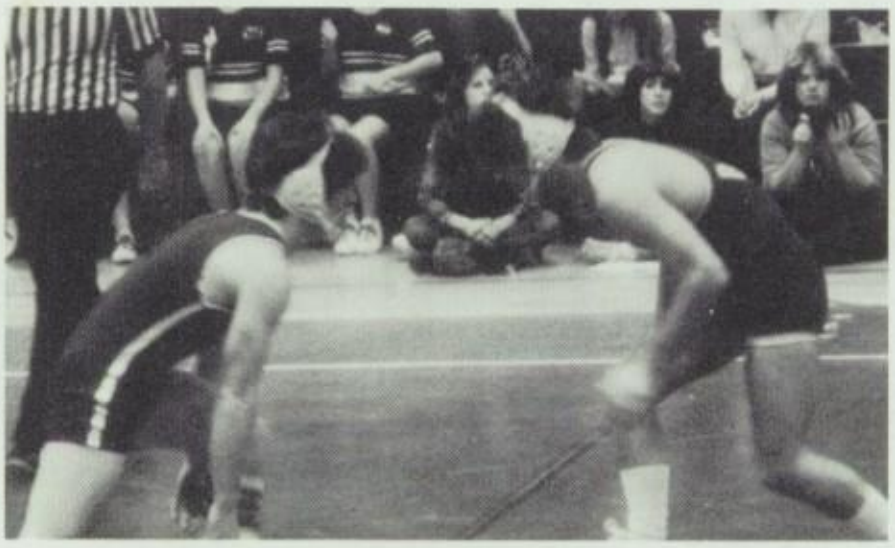
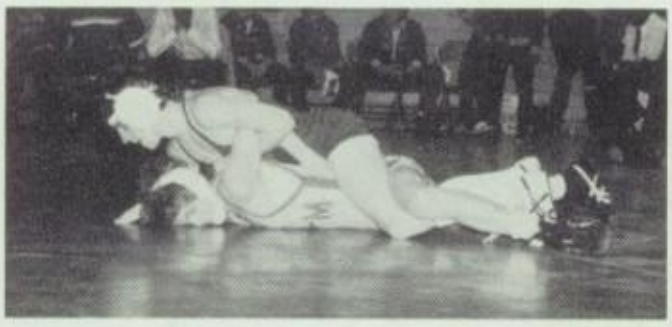
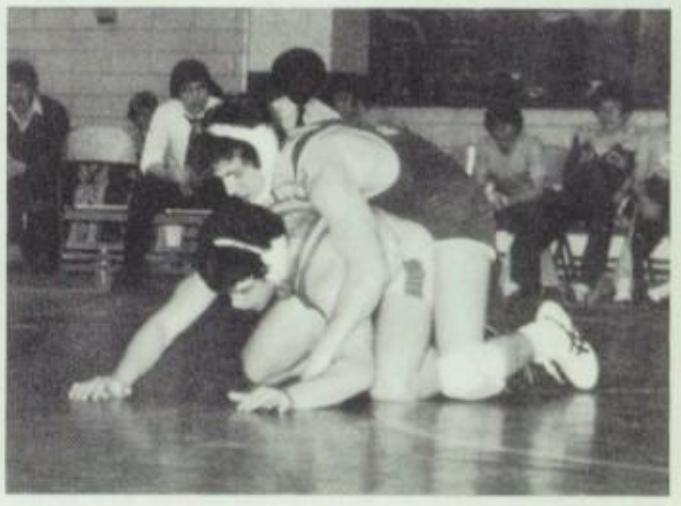
WELCOME
HOSTAGES

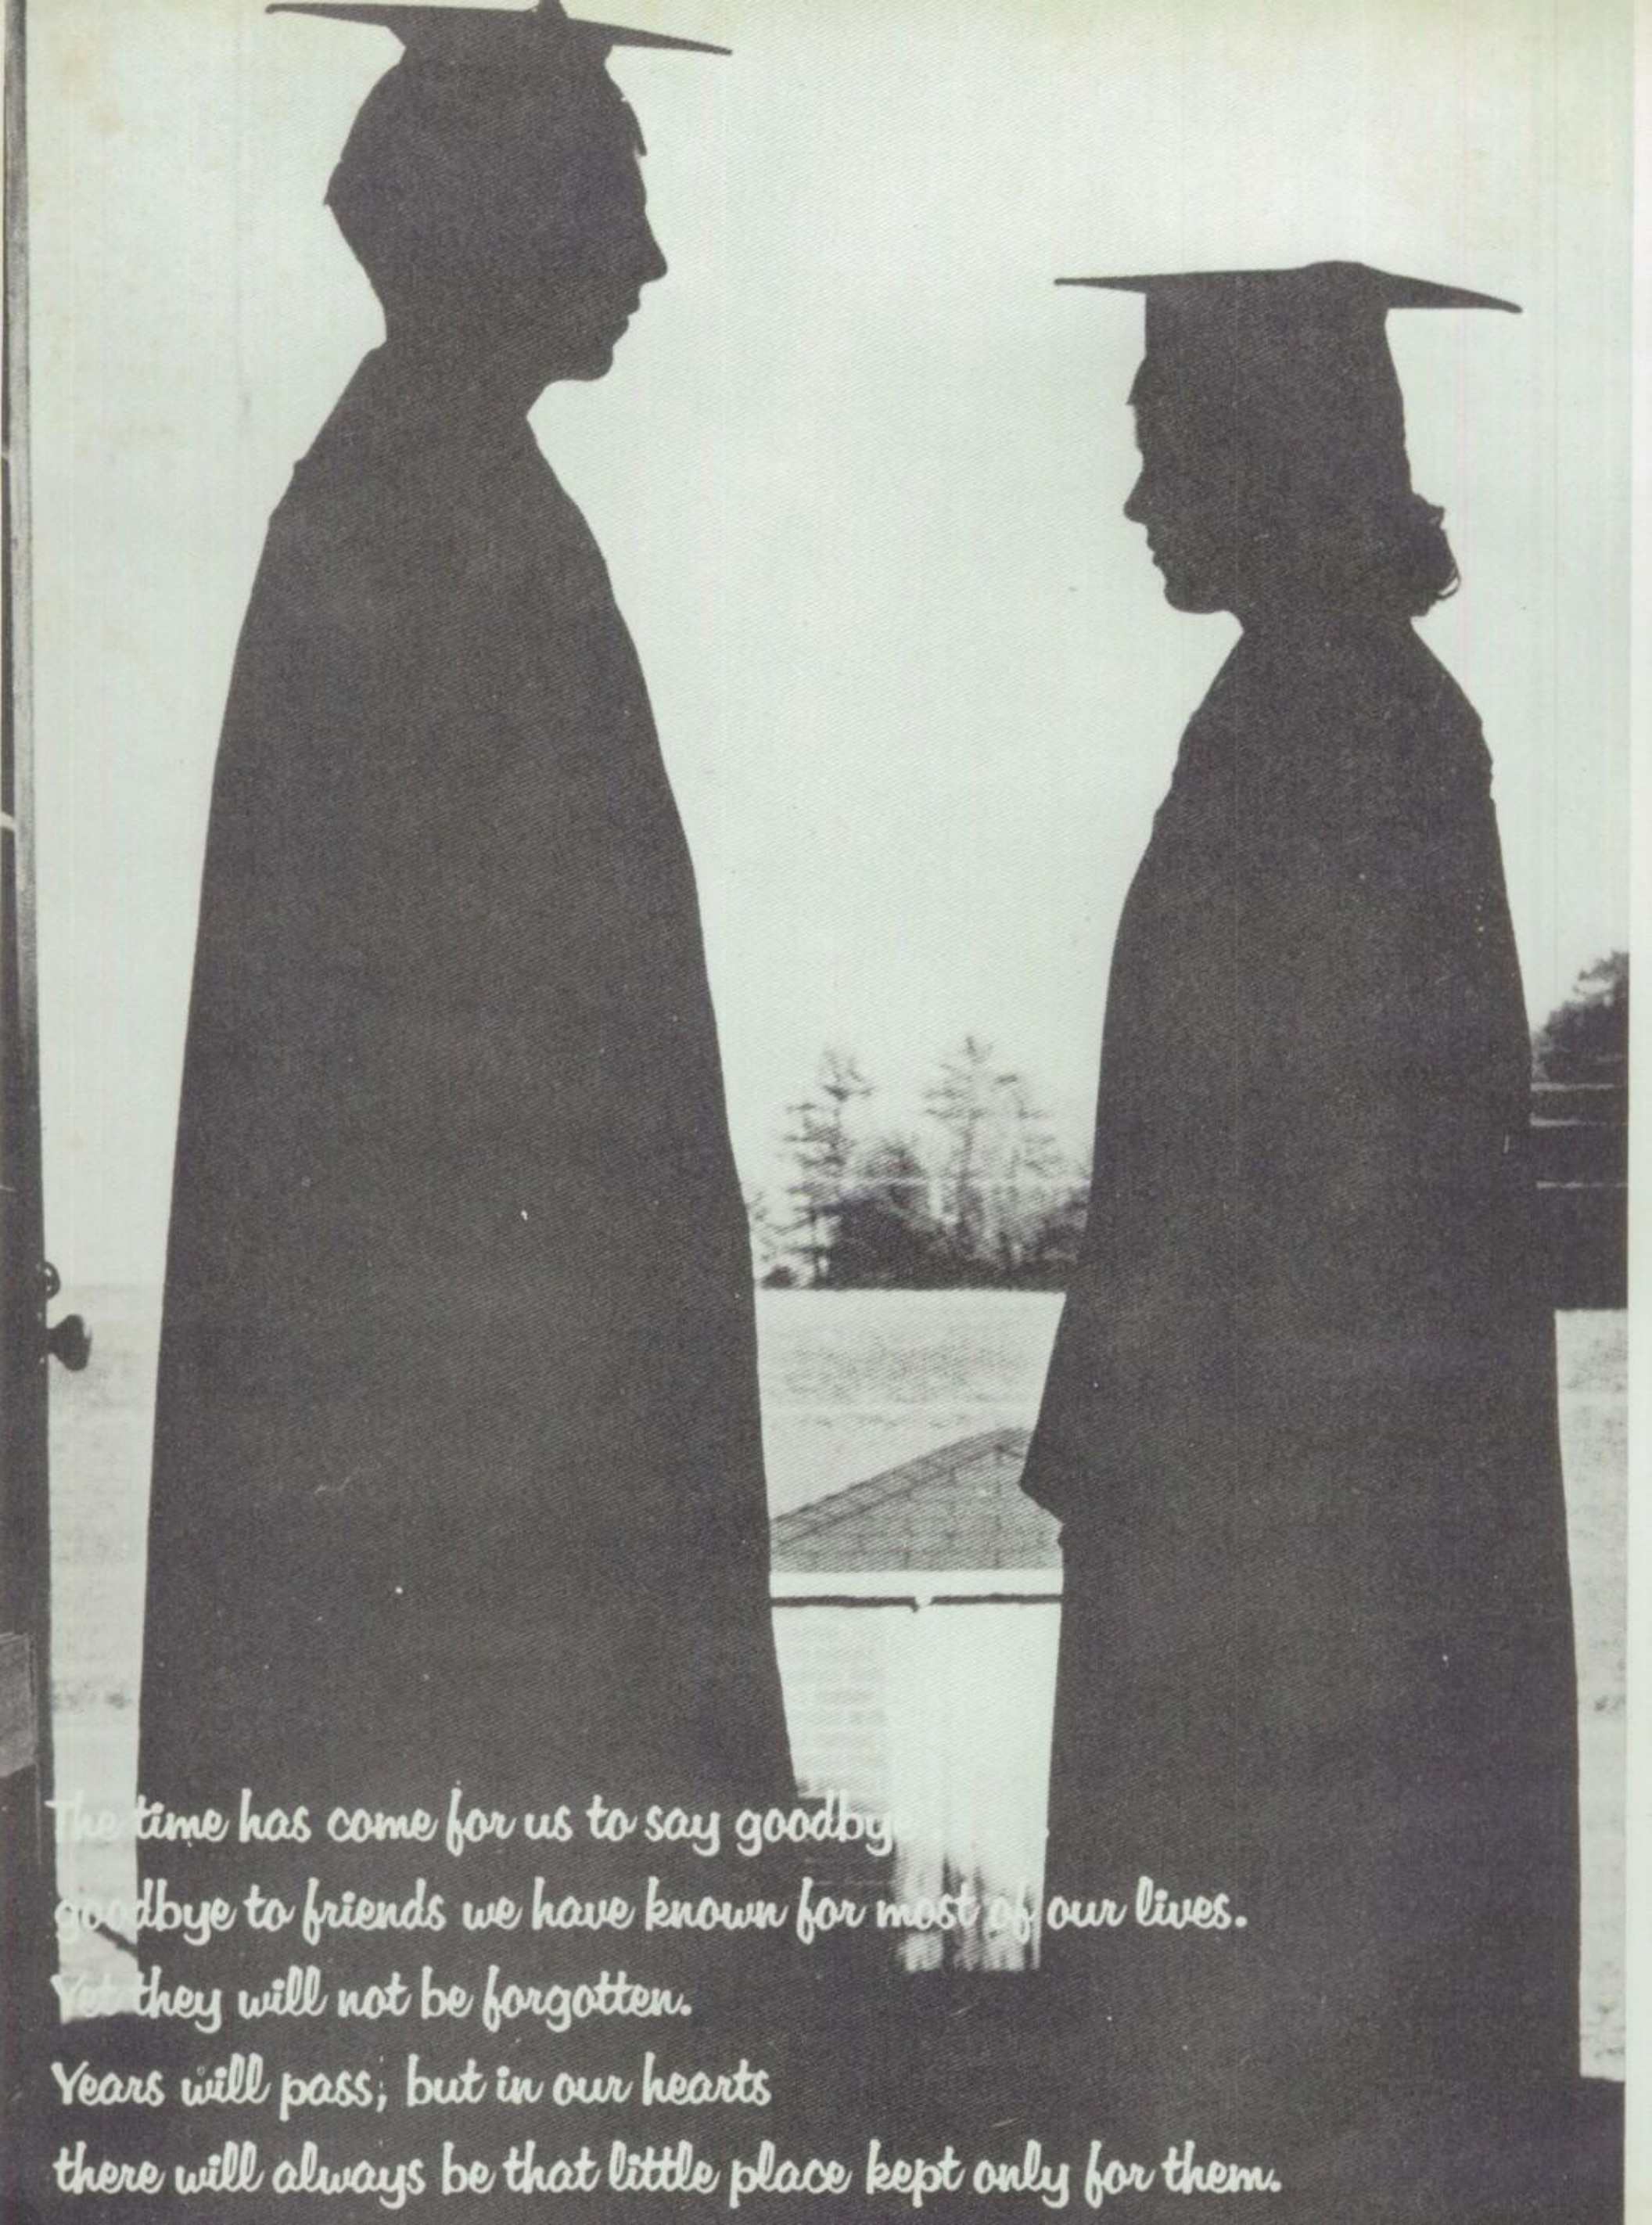




Rock Steady







The time has come for us to say goodby
goodbye to friends we have known for most of our lives.
Yet they will not be forgotten.
Years will pass; but in our hearts
there will always be that little place kept only for them.
